

Session Program

Nov 5 - 7, 2020

Online Physikerinnentagung 2020

**Talks from participants: Astrophysics (de/
engl)**

Universität Hamburg, Online

Sat, November 7

11:00 AM

Talks from participants: Astrophysics (de/engl)

Session | **Location:** Universität Hamburg, Online | **Convener:** Virginia Cuciti

11:00 - 11:20 AM

Exoplanet meteorology? - Studying wind dynamics of far away worlds

Speaker

Julia Victoria Seidel

11:30 - 11:50 AM

Planets and debris discs around low mass stars

Speaker

Patricia Luppe

12:00 - 12:20 PM

Direct imaging and spectral characterization of long period exoplanets and brown dwarfs

Speaker

Emily Rickman

1:00 PM
