

# Bose-Einstein Condensation 2023

## Thursday, 14 September 2023

### Superfluidity (08:45 - 10:30)

-Conveners: Chair: A. Eckardt; Giacomo Roati; Tyler Neely; Francesca Ferlino

time	[id] title	presenter
08:45	[180] Rotating dipolar quantum gases	FERLAINO, Francesca
09:20	[38] Melting vortex matter in a two-dimensional BEC	NEELY, Tyler
09:55	[8] Engineering vortex matter in strongly-correlated superfluids	Dr ROATI, Giacomo
