

Universität Hamburg

DER FORSCHUNG | DER LEHRE | DER BILDUNG

Data visualisation with R

Dr. rer. nat. Linda Krause und Dr. Ann-Kathrin Ozga, UKE

30th of June 2023, 09:00 – 16:00

Von-Melle-Park 5, Raum 4054 (William-Stern-Raum)

Session 1

- A brief introduction into R
- Loading a data set and data management

Session 2

- Creating your first ggplot
- Adjusting the looks of the plot in various ways

Session 3

- Other types of plots: boxplots, violin plots, histograms
- Exporting plots
- Bar plots with overlying data points

Session 4

- More complex graphics
- Multipanel graphics
