

### **Guideline manuscript format – Advanced Scientific Writing Course with Dallas Murphy**

Please note that only manuscripts in the following format can be accepted:

- title page with title, full author list
- double-spaced
- page numbers and numbered lines
- font size: at least 11pt
- submitted as one pdf with figures at the end
- Please indicate in your email the name(s) of your (co)advisors.

Please note: Everyone should have read all papers before the workshop.
